(A) Notice of Lead-Based Paint for Non-Residential Real Property Constructed Prior to 1978

Every purchaser of any interest in real property on which a building was built prior to 1978 is notified that such property may present exposure to lead from

lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to converting the property to a residential dwelling.

(B) Notice of the Presence of Asbestos – WARNING!

The Grantee/Purchaser is warned that the property offered for sale contains asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.

Bidders (Offerors) are invited, urged and cautioned to inspect the property to be sold prior to submitting a bid (offer). More particularly, bidders (offerors) are invited, urged and cautioned to inspect the property as to its asbestos content and condition and any hazardous or environmental conditions relating thereto. The disposal agency will assist bidders (offerors) in obtaining any authorization(s) which may be required in order to carry out any such inspection(s). Bidders (Offerors) shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the property including, without limitation, any asbestos hazards or concerns.

No warranties either express or implied are given with regard to the condition of the property including, without limitation, whether the property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder (offeror) to inspect, or to be fully informed as to the condition of all or any portion of the property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.

The description of the property set forth in the Invitation for Bids (Offer to Purchase) and any other information provided therein with respect to said property is based on the best information available to the disposal agency and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.

The Government assumes no liability for damages for personal injury, illness, disability or death, to the Purchaser, or to the Purchaser's successors, assigns, employees, invitees, or any other person subject to Purchaser's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the property which is the subject of this sale, whether the Purchaser, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

The State of Nebraska Attorney General may, on behalf of the Historical Society, institute a suit for injunctive relief, specific performance, or damages relating to such violation, and to require the restoration of the Property to its condition prior to the actions which gave rise to the suit; or

b. Representatives of the Historical Society may enter upon the Property to correct any such violation, and hold Grantee and the Grantee's successors, heirs, and assigns, responsible for the cost thereof; such cost, until repaid, shall constitute a lien on the Property.

10. The State of Nebraska Attorney General, on behalf of the Historical Society, shall also have available all legal and equitable remedies to enforce Grantee's obligations hereunder, and in the event Grantee is found to have violated any of its obligations, Grantee shall reimburse the State of Nebraska, including the Historical Society and/or the Nebraska Attorney General, for any costs or expenses incurred in connection therewith, including, but not limited to, court costs and architect's and attorney's fees. The exercise by the Historical Society of one remedy, or the failure to exercise any remedy, shall not have the effect of waiving or limiting the use of any other remedy, or the use of such remedy at any other time.

11. Grantee agrees that restrictions contained in this covenant will be inserted, verbatim or by express reference, in any subsequent deed or other legal instrument by which Grantee's fee simple title to the Property or any other possessory interest in the Property, or any part thereof, is divested or conveyed.

The Government shall set a sale closing date, said date to be not later than 30 calendar days after acceptance of the bid. On the closing date, the successful bidder shall tender to the Government, by wire transfer, the balance of the purchase price. Upon such tender being made by the successful bidder, the Government shall deliver to the successful bidder the instrument, or instruments, of conveyance. The Government reserves the right to extend the closing date for a reasonable amount of time for purposes of preparing necessary conveyance documents. In any event, if possession was assumed by the successful bidder prior to the date of conveyance, the successful bidder shall pay, in addition to the purchase money due, an amount determined in accordance with 7 above.

17. Delayed Closing

The successful bidder shall pay a penalty of \$200 per day or interest on the outstanding balance of the purchase price (whichever is higher) if the closing of the sale is delayed and the delay is caused, directly or indirectly, by the successful bidder's action and not by any action on the part of the Government. The interest rate shall be computed based on the yield of a 10-year United States treasury maturities as reported by

the Federal reserve Board in the “Federal Reserve Statistical Release H.15” plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government reserves the right to refuse a request for extension of closing.

18. Documentary Stamps and Cost of Recording

The successful bidder shall pay all taxes and fees imposed on this transaction and shall obtain at bidder’s own expenses and affix to all instruments of conveyance and security documents such as revenue and documentary stamps as may be required by Federal and local law. All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the successful bidder’s expense.

19. Contract

The Invitation for Bids, and the bid when accepted by the Government, shall constitute an agreement for sale between the successful bidder and the Government. Such agreement shall constitute the whole contract to be succeeded only by the formal instruments of transfer, unless modified in writing and signed by both parties. No oral statements or representations made by, or for, or on behalf of either party shall be a part of such contract. Nor shall the contract, or any interest therein, be transferred or assigned by the successful bidder without consent of the Government, and any assignment transaction without such consent shall be void.

20. Officials Not to Benefit

No member of or delegate to the Congress, or resident commissioner, shall be admitted to any share or part of the contract of sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the contract of sale if made with a corporation for its general benefit.

INSTRUCTIONS TO BIDDERS – ON-LINE AUCTION

(GOVERNMENT REAL AND RELATED PERSONAL PROPERTY)

1. Type of Sale

The method of sale used here is an on-line auction. It is much like an oral auction except that instead of voice bids, electronic or written bids are submitted; and, instead of having to travel to attend the bidding, you can submit your bid by computer, fax or mail and increase your bid by either mail, fax or from your computer on the Internet from your home or office. Bidding will take place until the property is sold, except as otherwise specified herein. You can find out when new bids come in and what the high bids are by viewing our web page at www.auctionrp.com.

2. Bidding in General

Bids will be received until a high bid is determined, except as otherwise specified herein. All bids are irrevocable for 90 days from the date bid is submitted. The bid that represents the best value to the Government will be considered for acceptance. THE GOVERNMENT RESERVES THE RIGHT TO REJECT ANY AND ALL BIDS AT ANY TIME FOR ANY REASON.

3. Registering Bidders, User ID and Password

(A) Registration is a 3-step process:

- i. On-line registration on our Internet sale site www.auctionrp.com
- ii. Bid Form in this Invitation for Bids (IFB) must be filled out, signed and dated and returned to the sales office identified in the IFB. Faxed forms are acceptable.
- iii. The authorized Bid Deposit payment methods are by cashier's check or by credit card using the Bid Deposit by Credit Card Form in this IFB, or as otherwise specified herein. Personal or business checks are not acceptable. Cash is not recommended.

(B) Once the Bid Form, on-line registration, and bid deposit are received by the sales office, the bidder's User ID and Password from the on-line registration will be activated and electronic bids may be made. The bidder's User ID will be used to identify the bidders on the auction web page. Bidders assign their own User ID (limited to eight (8) characters) and password. However, as this is a public forum, privacy of bidder names and addresses is not implied and may be released to third parties. If you do not register on-line, a User ID and Password will be assigned to you. The User ID must be on the bid form when submitting bid increases, by mail or fax. The User ID number will be used to identify the bidders on our auction web page, www.auctionrp.com.

4. Continuous Bidding Results

The current high bid is available any time (24 hours a day) by viewing the auction at www.auctionrp.com.

5. Bid Form

- (A) Bids must be submitted on the Bid Form accompanying this IFB, and all information and certifications called for thereon must be furnished. Bids submitted in any other manner or which fail to furnish all information or certifications required may be summarily rejected. Faxed bids are acceptable and may be modified or withdrawn by confirmed request prior to the time of conclusion of the auction, as specified herein, except for the highest and second highest bids. The High Bidder identified at the end of the sale shall provide an original, signed and dated Bid Form to the GSA sale office prior to closing.
- (B) Bid Forms shall be filled out legibly with all erasures, strikeovers, and corrections initialed by the person signing the bid and the bid must be manually signed.
 - i. Check the appropriate box for Initial or Increased Bid.
 - ii. Fill in Date of bid line.
 - iii. Fill in Bid Amount in the space indicated.
 - iv. Check the appropriate Bidder circle whether bidding as an individual, trustee, partnership or corporation.
 - v. Fill in the Name, Address, and Phone Number section of the Form.
 - vi. Sign and Date the Form.
- (C) Bids must be submitted without contingencies.
- (D) Bids that are not submitted on GSA Forms will be rejected.
- (E) Negligence on the part of the bidder in preparing and submitting the bid confers no right for withdrawal or modification of the bid after it has been received.
- (F) In submitting an initial bid, return the Bid Form (in duplicate) and bid deposit. Retain all other documents, including one copy of the Bid Form, for your record.

6. Bid Envelopes

Envelopes containing bids must be sealed and addressed to the bid receiving office states in this IFB. The name and address of the bidder must be shown in the upper left corner of the bid envelope, and the invitation number and the phrase "Bid for Real Property" must be shown in the lower left corner of the envelope. No responsibility will attach to

any officer of the Government for the failure to open a bid not properly addressed and identified.

7. Increasing a Bid On-Line

If you learn from the web page that your bid is not the high bid, you can submit a higher bid until such time as bidding is closed. Increases in previously submitted bids are welcome and the bid deposit from your first bid will apply to subsequent increased bids. If your bid is not accurately shown on the web page, then you must call us at 817-978-2331. Response to telephone, fax and other inquiries will be provided as expeditiously as possible, but no claim may arise from any failure in such response. By submitting your bid through our web page, you are agreeing that your Internet bid is a binding offer subject to all the terms of this IFB.

8. Increasing a Bid by Fax

(A) Bids by fax may be made by using the bid deposit form in the bid package. By faxing your bid, you are agreeing that your faxed bid is a binding offer. Faxed bids must be completely filled out and signed. The fax number for increased bids or initial bids is **817-978-2063**.

(B) A bid submitted by fax will only be accepted during business hours and must arrive at the place and by the date and time that the Government has specified as the deadline for receipt of bids. If a bidder chooses to transfer a bid by fax, the Government will not be responsible for any failure attributable to the transmission or receipt of the faxed bid, including, but not limited to, the following:

- i. Receipt of a garbled or incomplete bid
- ii. Availability or condition of the receiving facsimile equipment
- iii. Incompatibility between the sending and receiving equipment
- iv. Delay in transmission or receipt of bid
- v. Failure of the bidder to properly identify the bid
- vi. Illegibility of bid
- vii. Security of bid data

If your fax bid is not reflected on the web page and your bid is higher than the announced bid, you must call the sales office at 817-978-2331 for verification your bid was received.

9. 2 “Soft Close” Bid Survival Routine

The Government will announce a date and time for the receipt of final bids on the sale web page. On that date and time, Central Time, a clock starts for the High Bid survival period, usually 24-hours. If the high bid on the announced date and time survives the full Soft Close interval without challenge, then bidding will close at the stated time and

consideration for award will be given to the High Bidder. If an increased bid of the increment stated is received within challenge period, then bidding will be held over for an additional Soft Close interval (excluding weekends and Federal holidays) on the same terms. This process will continue until a bid survives the full Soft Close bid interval unchallenged. Bid survival time intervals may be changed from 24 hours (reduced or increased) as determined by the Government. Bid increment amounts may also be changed as determined by the Government. Bidder agrees that notices of changes to the sale are satisfactory when made available on the sale web page at <http://auctionrp.com>.

10. Final Bids and Ending or Suspending the Sale

Once bidding stops and a high bid has been determined, the high bidder will be considered for award of sale and the sale will be ended. There is no guarantee that the Government will accept the high bid. The Government reserves the right to stop the sale for any reason without award and the right to start a new sale at any time. The Government may resolve bidding conflicts by determining who is the high bidder and high bid and re-open bidding until bidding stops as described above. The Government may temporarily suspend a sale to resolve sale controversies and resume a sale at any time.

11. Bid Executed on Behalf of Bidder

A bid executed by an attorney or agency on behalf of the bidder shall be accompanied by an authenticated copy of this Power of Attorney or other evidence of his authority to act on behalf of the bidder.

- (A) **Corporation.** If the bidder is a corporation, the Certificate of Corporate Bidder must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.
- (B) **Partnership.** If the bidder is a partnership, and all partners sign the bid, with a notation that they are all the partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute the bid on behalf of the partnership.

12. Bid Deposit Terms

A bid deposit not less than the amount required by this IFB must accompany each bid, as follows:

- (A) In the form of a cashier's check payable to the order of: "General Services Administration". Bid deposits by Cashier's Check must be accompanied by the Tax Identification Number (Social Security Number or business Tax ID Number) and

official full name. Failure to so provide such bid deposit shall require rejection of the bid. Upon acceptance of a bid and award, the appropriate bid deposit of the successful bidder shall be applied toward payment of the successful bidder's obligation to the Government. Appropriate bid deposits accompanying bids that are rejected will be refunded to bidders, without interest, usually within 30 business days after rejection of the bids.

- (B) Credit cards (Visa, MasterCard, American Express, Discover) may be used for Bid Deposits and will be accepted only with the Bid Deposit by Credit Card form provided in the IFB. **CREDIT CARD DEPOSITS SUBMITTED WITHOUT THE "BID DEPOSIT BY CREDIT CARD" FORM WILL NOT BE REGISTERED UNTIL THE SALE OFFICE RECEIVES THE FORM.** Credit card deposits on rejected bids will be credited, usually within 15 business days after rejection of the bid. Faxes of all required forms are acceptable.

13. Bid Deposit Terms – High Bidder 10% Bid Deposit

- (A) Within five (5) business days of acceptance of an offer and award by the Government, the successful bidder agrees to deposit an additional amount, if any, which when added to the registration deposit, will equal at least ten percent (10%) of the amount bid. Failure to so provide such additional bid deposit within five (5) business days of the Government's acceptance of an offer and award shall require rejection of the bid as a default under the terms of Paragraph 12 of the General Terms of Sale herein.
- (B) Upon acceptance of a bid and award, the appropriate bid deposit of the successful bidder shall be applied towards payment of the successful bidder's obligation to the Government. The full balance of the purchase price is payable within thirty (30) calendar days after award. At the time of closing, all cash money paid by the purchaser will be credited, without interest, toward the total purchase price.
- (C) Bid deposits received from the two highest bidders will be held as stipulated in Paragraph 14, Backup Bidder. All other registration deposits will be refunded.

14. Backup Bidder

The second-highest bidder will be the Backup Bidder. The Backup Bidder may be considered for award as successful bidder for the duration of Continuing Offer period described in paragraph 6, General Terms of Sale, herein: 1) if the High Bidder is unable to consummate a transaction; 2) if the High Bidder fails to increase its initial bid deposit to the required 10% of the purchase price. The Backup Bidder's deposit may be retained, without interest, until the High Bidder consummates the transaction. Subsequently the bid deposit of the Backup Bidder will be returned as described in Paragraph 12, above. In the event that the Government is unable to consummate the transaction with the high bidder or Backup Bidder, the Government reserves the right to consider remaining bid(s) and make an award that is in the best interest of the government.

15. Acceptable Bid

A bid from a responsible bidder whose bid, conforming to this IFB, will be most advantageous to the Government, price and other factors considered, is an acceptable bid. In the event two or more acceptable bids are received that are equal in all respects, the selection will be made by a drawing by lot limited to such equal bids.

16. Notice of Acceptance or Rejection

Notice by the Government of acceptance or rejection of a bid shall be deemed to have been sufficiently given when announced on the website, faxed, emailed, or regularly mailed to the bidder or his duly authorized representative at the address indicated in the Bid Form. The Government's processing of a bid deposit shall not, in itself, constitute acceptance of the bidder's offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

17. Additional Information

The General Services Administration issuing office, at the address given in this IFB will, upon request, provide additional copies of this IFB, and answer requests for additional available information concerning the property offered to facilitate preparation of bids. Each bid submitted shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to award of sale.

18. Waiver of Informalities or Irregularities

The Government may, at its election, waive any minor informality or irregularities in bids received.
